The Best Vendors

Our one-day events are renowned for featuring the latest trends and the finest vendors in the wedding industry. From Sylvia Weinstock Cakes to Bobbi Brown's beauty tips, and from couture wedding gowns to exclusive products and services, Wedding Salon showcases must-have offerings for every bride's special day.

Celebrity-backed

Among our distinguished guests are celebrity stylists and planners known for their work with Demi Moore, Jessica Simpson, and Christina Aguilera. Renowned industry professionals like Colin Cowie, Vera Wang, David Tutera, Godiva, and Victoria's Secret are regular contributors to our events, offering guests a glimpse of their exquisite creations.

Why Vendors & Atendees Choose Us

Recognized as the #1 Luxury Wedding Show in the country, Wedding Salon is not just an event but a platform for wedding vendors to expand their business. Our events attract high-end couples, top wedding planners, bloggers, and press from various markets, providing vendors with unparalleled exposure and networking opportunities.

Our Vision: A Joyful Planning Experience

Founded on the belief that wedding planning should be as celebratory as the day itself, Wedding Salon was created to replace endless searching with inspired discovery. For over 15 years, we have been the most trusted connection between discerning couples and the industry's elite.
